CALROSSIE SUPREME

Calrossie Supreme, the senior herd sire at Highland View Farms is still in active service at nearly eight years of age. He was a first prize winner at the 1945 Perth show where he was purchased for \$10,200 by Merryvale Farms. Walter Bigger & Son in Scotland had secured five bulls by his service before he came to America and these made a \$5,460 per head average in the 1947 Perth sale.

In the 1948 Merryvale Farms Sale, 14 sons and daughters averaged \$1103.

His Get are breeding on too, as evidenced in the 1949 Perth Sale when 13 grandsons averaged well over \$2000 per head.

Chapelton Baronet by Calrossie Supreme is the sire of L.E. Mathers & Sons, 1951 Denver, Phoenix and Ft. Worth Stock Show grand champion bull Aldie Mainliner which bull was also awarded the grand championship at six major shows in 1950.

Nine sons and daughters of Calrossie Supreme sell in this sale and several of the choicest females we are offering sell well forward in calf to his services.

2nd Annual HIGHLAND VIEW

ERIMUS DANDY

We purchased Erimus Dandy in the last Mathers Bros. Sale after he had been imported late last year. Though he was not highly fitted he had stood second at Ohio and Kentucky, and fifth at the National Show at Memphis and the Chicago International in the senior yearling class.

His sire, Ballathie Command, was second in class to the reserve junior champion at Perth and is by the Perth champion Pittodrie Banker.

The dam of Erimus Dandy, Aldsworth Pattie is described by Wing Commander T. B. Marson as a dark red, very thick, low set, smooth member of the famous old Pyle family.

We have been more than pleased, we have been thrilled, the way Erimus Dandy has developed for us. A number of our better females sell mated to him and we want to urge you to be sure and look this bull over carefully yourself, because we believe he is the kind of a bull you would like your next herd sire by.

SUNSET BOUNCE 26th

SUNSET BOUNCE 26th, the chief stock bull at Roanridge. He was the top selling bull when Mr. W. A. Cochel purchased him at last fall's Elcona-Hanson Heights Sale. He was calved July 20, 1949 and bred by Otis A. Carter & Sons, Eldorado, Illinois. His sire, Cruggleton Bounce is by the noted Cruggleton Aircraft by Cruggleton Perfect. His dam is by Brawith Boy of Sunset by Brawith Count.

This good headed, strong top, heavy quartered, short legged, young sire is considered by many cattlemen, the most outstanding bull ever used by Mr. Cochel in his many successful years in the Short-horn business. Shown by B. Hollis Hanson, he placed third as a summer yearling at the 1950 Ohio State Fair in a class of 18 and was a member of the first prize Get of Sire by Cruggleton Bounce.

All of the Roanridge females will carry the service of this quality young sire.
